

2023 Annual Love Leadership Foundation Sponsorship Prospectus

The Love Leadership Foundation, founded by Tiffany A. Love, PhD, APRN, FACHE, GNP, ANP, CHC, PLC, is committed to developing healthcare leaders from all backgrounds as they play a critical role in advancing the health and wellness of the communities they serve – both today and tomorrow.

With your sponsorship, the Foundation is able to offer a variety of professional benefits and memberships to these healthcare leaders so that they are equipped with the knowledge, tools and power they need to drive change. Additionally, the Foundation provides these participants with career coaching and mentoring to guide them toward the levels of leadership where key organizational decisions are made.

Depending upon the sponsorship level you choose, there are also marketing opportunities available for your organization. Don't miss this chance to build your brand equity and promote your services and industry value to healthcare key decision makers and influential stakeholders, as well as show your support for the Foundation's mission. Please see the Sponsorship Opportunities list for more details.

Thank you for considering to be a sponsor and helping the Foundation to develop the next generation of influential and inspirational healthcare leaders.

Love Leadership Foundation

The Love Leadership Foundation is a 501(c)(3) nonprofit that provides education and training to develop healthcare leaders, who are more reflective of the diverse patients they serve, with the knowledge and power to address healthcare inequities within their workforce and community. It was founded by Tiffany A. Love, PhD, APRN, FACHE, GNP, ANP, CHC, PLC, a C-suite executive and healthcare consultant who is recognized internationally as a leader in the advancement of women and diverse healthcare executives. The Foundation is committed to advancing diversity, equity and inclusion (DEI) at all levels within the healthcare industry, regardless of gender, race, ethnicity, religion, age, sexual orientation, disability, veteran's status, economic status or other diverse backgrounds.

Mission: To educate and train healthcare leaders who can address healthcare inequities within their communities and foster a culture of belonging and inclusivity within their organizations.

Vision: To achieve parity within top healthcare leadership positions for professionals of all backgrounds.

Tiffany A. Love, PhD, APRN, FACHE, GNP, ANP, CHC, PLC

Dr. Tiffany Love, founder of the Love Leadership Foundation, is an award-winning, international keynote speaker and C-suite executive with more than 30 years of healthcare experience. She is a Fellow and former Regent of the American College of Healthcare Executives (ACHE), an Adult and Gerontological Nurse Practitioner, as well as a certified Public Leader through the Harvard Kennedy School. She also serves as coordinator, nurse planner and guest faculty member for Harvard Medical School's CME course, Career Advancement and Leadership Skills for Women in Healthcare and as an Advisory Council member for the Harvard Business Review. Additionally, Dr. Love is an Advisory Board Member for Sigma Theta Tau International

Honor Society's Center for Excellence in Nursing Education and an advisor for their Nurse Leadership Academy for Practice. She is currently Associate Vice President and Chief Nursing Officer at the University of Vermont Health Network Porter Medical Center, after previously serving eight years in various roles at the U.S. Department of Veterans Affairs.

As an international leader in the advancement of women and diverse healthcare executives, Dr. Love serves as the Chair of the Board of Directors for the Healthcare Diversity Council, a non-profit dedicated to promoting culturally competent care, inclusiveness and equity; she was also recognized as one of its "Top 3 Healthcare Diversity Leaders" in 2021. Previously, she received ACHE's Service and Regent's awards for being the organization's most requested mentor and career advisor, as well as for developing multiple inaugural DEI committees, educational offerings and DEI initiatives that have successfully advanced diverse professionals to higher levels of leadership.

Dr. Love received her PhD in graduate studies (healthcare research) from Case Western Reserve University in Ohio, as well as two Masters of Science in Nursing degrees (adult and gerontological nurse practitioner) after graduating from Cleveland State University. She was born and raised in Cleveland, Ohio and enjoys listening to audio books, writing, and visiting museums, as well as spending time with her young adult daughter.

Dr. Love shares her insights on healthcare leadership in these featured presentations and news article:
